

ANNUAL INVENTORY DE-STOCK SALE!!!

Yep! It is that time again!

Can you believe that it is ALREADY the middle of October??? The end of the year is right upon us! We are now getting all ready for a nice winter at home off the road. Great news for us! Of course, we have a huge stock of books that are desperately needing sweet homes! Want to save? This is the time to shop! DO take a look and see which goodies are calling for you to bring them home! 😊 We are happy to package them up and send them your way!

In this list below, you will find many, many new titles. Many of them are newly produced by us. We have many new audio workshops from our traveling season—AND THEY ARE HALF OFF! 😊 We also have several new books in printed format that you may want to add to your collection! Also, we have LOTS of great deals on simply wonderful books by other writers that we need to de-stock while we are home off the road for the holidays! PLUS! If that is not enough, there are many of these great resources that we are clearing out so we will have room for new products this spring! (We have LOTS of great new products coming soon since this is writing season...AND shopping season for new resources for the traveling bookstore!! Woohoo!)

Anyway...this is THE TIME to stock up! We have the best deals of the year during our DESTOCK SALES! Do remember that these items are only available on a FIRST COME, FIRST SERVE basis. Since we are de-stocking on these items, many will not be re-ordered until we get back on the road next year and SOME will not be ordered again because we are making room for new products! Soooooo, this is definitely the time to stock up!

We will try to make this as easy and fast as possible for ordering. Here is how this works: just peruse the following list, clip out those that you want to make your own shopping list, send that to us by email (cindy@cindyrushton.com) with all of your ordering information (see below for complete directions). We will let you know which items are YOURS so we can work out payment arrangements and send your order out immediately!! Ready? Have fun! We LOVE this time of year!

Happy shopping!! And...a very special thanks for supporting our ministry all year long! You are how we are able to continue doing all that we are doing! 😊

Love,
Cindy and the Rushton Bunch!
