## Book by:

## Matthew Rushton

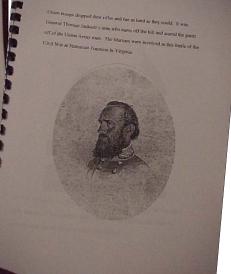

From Tuscumbia, Alabama

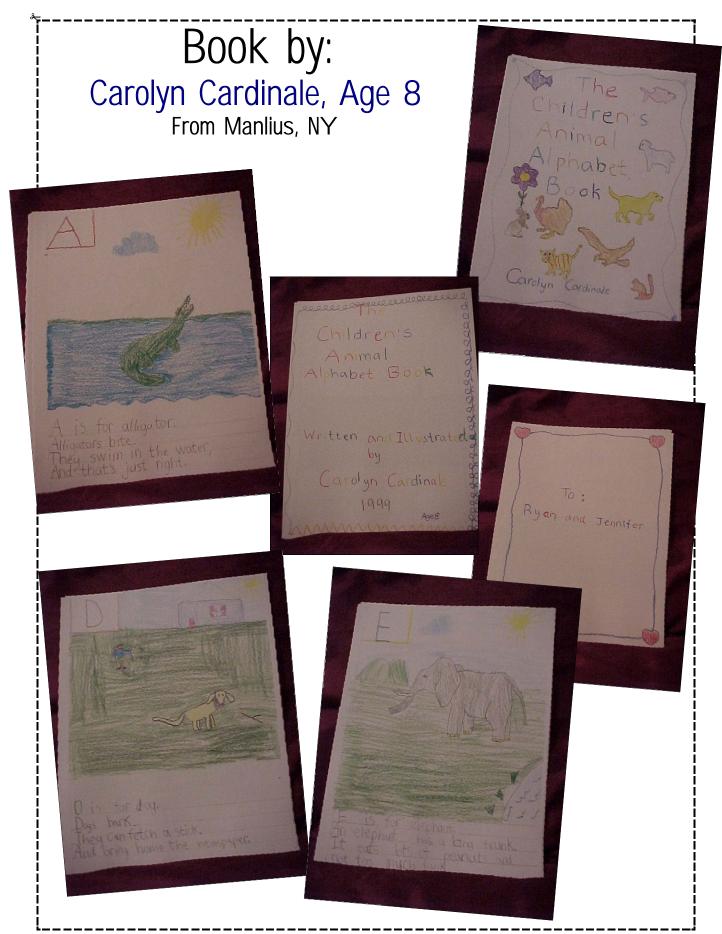

Did you lenow that every Country has an Army, An Fotoc, and Newy, that early reventy-eight Countries have a Marine Corpa? For this treasen, they divery say, "The Americans stay on everyhedy eile's sland but these own." The U.S. Marines have to help defend other countries around the pilote. They also me brazy defending their some, country. Old you know that the Marines guard the President and his Yamby! They were fly the breathen, and his Garaily to placen that they need to go. Wars, that is super nice. The Marines are the toughest division in the Armed Forost. Let's sake a look in the Marine's qualit and present.
