### **The Hidden Woman of The Heart Bible Study** by Cindy Rushton

*It all began as Cindy sat in a Ladies' Retreat as a nineteen-year-old newlywed. For the first time in her life, she was taught what the Bible had to say about godly womanhood. Sure, she never missed a church service from the time she was 2-years-old. Sure, she was brought up in a Christian home. But, these things were never specifically taught to her. Actually, if we are honest, these topics are not the ones that give warm fuzzies, thus they have been and still are avoided by many ministers and Bible teachers.*

*During that retreat, Cindy sat in prayer thanking God for teaching truth to her early in her marriage. As she sat in prayer, the rest of the world going on around her, God whispered His call to Cindy, "Will you purpose to get to know what I have to say about womanhood? Will you teach it?" You know her answer...the rest is history!*

**The Hidden Woman of the Heart Bible Study** is the result of Cindy's quest to seek for real answers and an accurate picture of what God wants in a godly woman. Cindy has spent her entire marriage digging into the Word for God's plan for godly womanhood. After all of these years, her own study and notes are finally available for others to join her in this journey through Scripture. Want to "dip" into the study? We have each section of the study **ALSO** available in separate guides. Our guides are all produced with several options: comb-bound in a book, 3-ring bound in a notebook, or 5 X 8 size, 3-hole punched for your Daily Planner, so you can study on the go!

*These Bible Studies are written in the typical "Cindy Rushton Style." You are sure to feel as though you have Cindy sitting there beside you with her Bible and Prayer Journal open pouring into you from the depths of her heart. If there is one study that will change your life for the better, we, at Rushton Family Ministries, believe that this is THE ONE. So, buckle up. Take your time. God has many treasures in store for you during this study.*

Elisabeth and I have been enjoying our Sizzix cutting system. We bought all of the attachments to create our own Timeline Figures. They have turned out absolutely precious! ## What If You Want It All AND Don't Know Where To Begin???

### Try Our SETS!!!!

*This is one of our most common questions! If you are completely unfamiliar with us and our teaching tapes, we recommend one of our sampler sets. We have several to choose from that will give you a good sampling of the previous topics. Not to mention, you save the most money with these sets! We have more sets listed in the back of this issue. These are our newest sets!*

**A Crash Course for Those Whose Marriages Are Crashing OR A Lesson in Aerobatics for the Rest of Us!** Marriage licenses are easier to get than even a driver's licenses! Not to mention, a pilot must train and execute maneuvers that assure his ability to come out of "stalls" that could "crash" him in the midst of flight! Cindy takes us through a "Crash Course" on marriage in this workshop that is going to take us back to the biblical foundations for marriage! Whether you are "rebuilding in the rubbish" of a crashed marriage...or ready to give "aerobatics" a try with your sweetheart, you will find this workshop to be a needed encouragement for you to continue in your marriage. Cindy and Harold have been to the brink of divorce. They can truly share how to take the rubbish, offer it all to the Lord, and begin to rebuild for a marriage that SOARS! This teaching is probably the MOST LIFECHANGING AVAILABLE! Cindy gets down to the nitty-gritty teaching us an outline that covers the following:

What is this Marriage Thing All About  
It's a Covenant Thing!  
Differences Make A Difference!  
Co-heirs in this Grace of Life  
Taking A Look At "STALLS" in the Marriage!  
A Lesson in Aerobatics for the "Show of Your Life!"

Plus Much, MUCH More!

Cindy is currently finishing an entire book and Bible Study on this topic entitled **MARRIAGE 911: A CRASH COURSE FOR THOSE WHOSE MARRIAGES ARE CRASHING \*OR\* A LESSON IN AEROBATICS FOR THE REST OF US.** It is sure to be one of the most powerful marriage studies ever available! #### Just WHAT IS Homeschooling The Easy Way???

Just to give you a little background...HSEW is in its second year. Although **HOMESCHOOLING THE EASY WAY** is a young magazine, this is actually our 7th year of publishing our magazine. Sound crazy?? Well, originally all of our homeschooling articles were published in each issue of our **TIME FOR TEA** magazine. As time went on, TFT grew so much that we faced the dilemma of "what to do" in order to minister the best to all of our subscribers. God led us to separate the magazines and expand our vision for each. What you see now is part of that vision, a magazine devoted ONLY to Homeschooling the EASY way!

The focus of **HOMESCHOOLING THE EASY WAY** is to encourage homeschooling with a lifestyle of real learning that returns to the OLD PATHS that have worked for centuries. Topics range from hearing God in your homeschool to balancing all of the many demands that the busy homeschool mom faces day-to-day to teaching lessons in a simple, EASY way to VERY practical ideas that are sure to make homeschooling in your home EASY too! You won't want to miss a single issue!

**One-year subscriptions** are available for both of our magazines for **\$15.00 each or \$25.00 for both (US, \$25/\$40 International) Regular Mail OR FREE by email.** ( Let us know if you would like to receive TFT or HSEW complimentary via email and we will gladly add you on the list!) A **sample issue** of either magazine is **\$4.50** or FREE with any order. Please specify which magazine sample you prefer.

Our prayer is that when you join us during that quiet moment of your day, you will be encouraged and fed in your soul, mind, and spirit! We pray that each and every issue will encourage, inspire, and equip you better for your Homeschool journey! Our greatest desire is that you will be encouraged by ALL of our resources to seek to follow the Lord as a godly wife and mother! Ask for YOUR a copy (AND grab your cup of tea!) today!
