# HOMEMADE BOOKS! YES! YOU CAN BE A WRITER TOO!

You will not believe how much is included in this book! Everything...I MEAN EVERYTHING that Cindy knows about creating books is included in this book! Over FIFTY chapters packed FULL of information! There is something here for every writer—student, parent, or professional! Whether your child is a toddler or teen. You will love this book!

Cindy's goal in writing this book has been to pass on her addiction to writing to each and every one of you, while helping you each step of the way! Once you see how easy this process really is and that you can write your book on what you really love, you are going to be addicted too!

In this book, you will find everything you will need to write a book, beginning today—

- ⇒ Step-by-step instructions.
- ⇒ Tips for making your book great!
- ⇒ Help for tweaking out the problems in the process.
- ⇒ Ideas to get you started or to trigger your own ideas. Of course, you may find your own ideas here already. If not, we left space all throughout the book for YOUR ideas!
- ⇒ Options for your preferences.

⇒ Help for wherever you are! Whether you have never written a book or you have written stacks of books!

Yes! This book is JUST for you! My prayer is that you will find this book to be a constant companion for all of your writing projects—for years!
